

Cindy is the first mayor of the Regional Community of Southern Victoria after serving 2 terms as Councillor for the Village of Perth-Andover. Cindy grew up and raised her family in this community. Cindy graduated from Southern Victoria high school long before getting her Business Administration degree from Husson University with a certificate in Accounting in August of 2020. She believes you are never too old to learn.

As a business owner herself, with several residential and commercial rentals and stores throughout the village, Cindy has focused on supporting local businesses in Perth-Andover. She is also a member of the Perth Elks Lodge and the Royal Canadian Legion and has always been dedicated to her community.

As mayor my focus has been , but not limited to, healthcare, affordable housing, public safety, economic development, infrastructure and budgeting. It is crucial to minimize unnecessary inflation costs for all members of our community.
